

The Max Kade Center for German-American Studies,  
the Department of Anthropology, the Environmental Studies Program,  
and the Department of Spanish and Portuguese

present

**Dr. Sandra Rebok**

(Spanish National Research Council, Madrid)

## "Alexander von Humboldt and Thomas Jefferson: The Transatlantic Pursuit of Science"

"I have omitted to state. . . the extreme satisfaction I have received from Baron Humboldt's communications. The treasures of information which he possesses are inestimable. . ."  
Thomas Jefferson, [avhumboldt.net](http://avhumboldt.net) (1804)

**Thursday, October 31, 2013, 7:00 p.m., Max Kade Center**
